

**The Wisconsin Metro Audubon Society is having a**

# **Birding visit at the Polish Center**

**Friday, September 23rd 8:00 a.m.**

**Free Admission**

Join WMAS, (Wisconsin Metro Audubon Society), as we survey birds on the Polish Center grounds. This will be a slow relatively easy walk of about 1/2 mile. We start at 8 am. If it's raining we will not hold the walk. Park in the lot and we will meet at the back of the building on the terrace. The grounds have a drainage pond, edge habitat, butterfly garden and overlooks Kopmeier Lake. We will be watching for migrants in addition to year-round species. Everyone is welcome regardless of birding experience.
